

NATURE VIBE'S

S A F A R I S

NGORONGORO CRATER

DAY 1: ARUSHA CITY - KARATU

- After arrival in Arusha, (or designated nearby town) you will meet with our representative tour guide who will provide short briefing for safari and drive you directly to Karatu for dinner and overnight stay. (Eileen's Tree Inn)

DAY 2: KARATU - NGORONGORO CRATER:

- After breakfast at the hotel, our professional tour guide will drive to Ngorongoro crater with picnic lunch boxes for full day game drive inside the crater.
- Ngorongoro crater is among the top wildlife viewing destinations in the northern part of Tanzania. The crater is famous for different types of animals such as elephant, buffalo, lions, rhino, leopards and variety of land aquatic bird species.
- Later during the evening, you will be driven back to Arusha City for departure or to your next destination.

"Above image shows the Ngorongoro Crater which formed after a huge volcano eruption. Also shown are some of the many animals that live within the crater."
