

## SERENGETI NATIONAL PARK & NGORONGORO CRATER

### DAY 1: ARUSHA CITY TO SERENGETI CENTRAL

- After arrival in Arusha, (or designated nearby town) meet with our representative tour guide who will provide short briefing for safari and drive you directly to Serengeti National Park.
- Serengeti National Park is famous for the seasonal migration of wildebeests and zebras from southern, central and northern Serengeti up to Mara River where big cats like lions and leopards follow them for hunting. The park is good for bird watching, learning about unique plants and the ecosystem of Serengeti. This Serengeti ecosystem is the one of the largest and oldest on earth.
- Dinner and overnight at Tukaone Tented Camp

### DAY 2: SERENGETI (FULLY DAY AT CENTRAL)

- Breakfast at the Tukaone Tented Camp.
- Full game drive at central Serengeti.
- Dinner and overnight at Tukaone Tented Camp.

*"The image above shows tree climbing lions and migration from Serengeti to Masai Mara in Kenya"*

### DAY 3: SERENGETI TO NGORONGORO CRATER - ARUSHA CITY

- Breakfast at Tukaone Tented Camp.
- Proceed with morning game drive in Serengeti National Park on the way to Ngorongoro crater for full day game drive inside the crater.
- Ngorongoro crater is among the wildlife viewing destinations in the northern part of Tanzania. The crater is famous for different types of animals such as elephant, buffalo, lions, rhino, leopards and variety of land aquatic bird species.
- Later during the evening, you will be driven back to Arusha City for departure or to your next destination.

*"Above images shows large group of flamingos, and different types of animals which found inside the crater, like Rhinos, Zebras, Buffalo, impalas and others."*
